Good morning Mary - Attached are the emails we sent respectively to the FWS and NMFS last week to notify them of receipt of a complete assumption package as well as the ESA consultation letters we sent respectively to FWS and NMFS yesterday. Also attached is the letter NMFS sent the EPA in April regarding "no effect" on federally listed species under NMES jurisdiction, which was the basis of yesterday's letter to NMFS.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) If you have any questions or need any additional information please let me know. Tom
